Status: October 2022

## PERSONAL DATA

The operator of this website takes the protection of your personal data very seriously. Your personal data will be treated confidentially and in accordance with the statutory data protection regulations and this privacy policy.

### Data

[No personal data is collected on this website,] On the one hand, we collect data on this website that you provide to us voluntarily (for example, by filling out and submitting the contact form). We collect and store all information that you enter on the website via a form or provide in other ways, such as by telephone, e-mail or in person (for example: name, address, telephone number, e-mail address). The data you provide via the form will only be used for the purposes stated in each case (e.g. contacting us). The processing of the data entered in the contact form is therefore based exclusively on your consent (Art. 6 para. 1 lit. a DSGVO). You can revoke this consent at any time. For this purpose, an informal communication by e-mail to us is sufficient. The legality of the data processing operations carried out until the revocation remains unaffected by the revocation.

Other data is automatically collected by our IT systems when you visit the website. This is mainly technical data (e.g. Internet browser, operating system, time of access, IP address). The collection of this data takes place automatically as soon as you enter our website.

### Data use and data transmission

We collect the data to be able to process your requests and to ensure the provision of the website. Part of the data may be used to analyze your user behavior. When visiting our website, your surfing behavior can be statistically evaluated. This is done mainly with cookies and with so-called analysis programs. The analysis of your surfing behavior is usually anonymous; the surfing behavior cannot be traced back to you. You can object to this analysis or prevent it by not using certain tools. Detailed information on this can be found below in this data protection declaration from the point "Cookies".

Data that you have disclosed to us in the contact form will not be disclosed to third parties without your express consent. It is pointed out that data transmission on the Internet (e.g. communication by e-mail) can have security gaps. A

complete protection of data against access by third parties is not possible.

### Storage duration

If you contact us by form on the website, in person, by telephone or by e-mail, the data you provide will be stored and used by us for the purpose of processing the request and in the event of follow-up questions for (i) the period provided by law, or (ii) until the respective purpose for providing the specific data no longer exists.

### Protect your data

The operator of this website does its utmost to make your visit and use of this website as safe as possible. Therefore, the provisions of Article 32 ff DSGVO are complied with to ensure the security of your personal data and appropriate technical and organizational security measures are taken.

### Links to other websites

On this website you will also find links to other websites for information purposes. These are not under the control of the operator of this website and therefore not subject to this privacy policy. When you access a link, it is possible that the operator collects data about you and processes it in accordance with its privacy policy, which may differ from this one.

### Your rights

You have the right to free information about your stored personal data, its origin and recipient and the purpose of data processing at any time. You also have the legal rights to rectification, deletion, restriction and data portability with regard to your processed personal data.

Right to data portability: You have the right to have data that we process automatically on the basis of your consent or in fulfillment of a contract handed over to you or to a third party in a common, machine-readable format. If you request the direct transfer of the data to another controller, this will only be done insofar as it is technically feasible.

You can exercise your rights as follows:

- by registered letter signed by your own hand and enclosing a copy of your identification to wemos GmbH, Vivenotgasse 56/17, 1120 Vienna,
- by e-mail, but only with a qualified electronic signature, to [office@wemos.at](mailto:office@wemos.at).

The revocation of consent to data processing is possible with a simple informal email. Furthermore, you have the right to lodge a complaint with the competent supervisory authority, the Austrian Data Protection Authority; Wickenburggasse 8, 1080 Vienna, Austria, phone +431

52152-0, e-mail: [dsb@dsb.gv.at](mailto:dsb@dsb.gv.at), <https://www.dsb.gv.at/> to.

### Contact

For questions on the subject of personal data, you can always contact the contact specified in the imprint.

### **COOKIES**

When you visit this website, information ("cookie") is stored on your computer that allows the website to recognize you on subsequent visits. This allows the website to be optimized in terms of user-friendliness and security. If you do not agree with the storage of cookies on your computer, please deactivate the use of cookies in your browser. In this case, however, please note that you may not be able to use all functions of this website to their full extent.

### **SERVER-LOG-FILES**

The provider of the website automatically collects and stores information in so-called server log files, which your browser automatically transmits. These are:

- Operating system used
- Browser type/ browser version
- Referrer URL
- Host name of the accessing computer
- Time of the server request
- IP address

This data cannot be assigned to specific persons. A combination of this data with other data sources is not made. However, the operator of the website reserves the right to check this data retrospectively if there are concrete indications of illegal use.

### **GOOGLE ANALYTICS**

This website uses Google Analytics, a web analytics service provided by Google Inc. 1600 Amphitheatre Parkway Mountain View, CA 94043, USA ("Google"). Google Analytics uses cookies to enable an analysis of the use of this website. The information thus generated about your use of this website is transmitted to a Google server and stored there. Google will use this information for the purpose of evaluating your use of the website.

and to compile reports about the website activities. The operator of this website uses this information exclusively for purposes of its own market research and to optimize the design of the website. You can prevent the installation of cookies by selecting the appropriate settings on your browser software. In addition, you can prevent the collection of data generated by the cookie and related to your use of the website to Google, as well as the processing of this data by Google, by following the link below. ## SOCIAL MEDIA PLUGINS

This website uses plugins/functions of the social networks Facebook, Twitter and Google+. For data protection reasons, these are deactivated by default and must be explicitly activated by you when used. Please note the following information before activating them:

### Facebook

Plugins of the social network Facebook, provider Meta Platforms, Inc., 1 Hacker Way, Menlo Park, California 94025, USA, are integrated on this website. You can recognize the Facebook plugins by the Facebook logo. You can find an overview of the Facebook plugins here: <http://developers.facebook.com/docs/plugins/>. When you visit this website, a direct connection is established between your browser and the Facebook server via the plugin. Facebook thereby receives the information that you have visited this website with your IP address. If you click the Facebook "Like" button while you are logged into your Facebook user account, you can link the content of this website on your Facebook profile. This allows Facebook to associate your visit to this website with your user account. The operator of this website has no knowledge of the content of the transmitted data and its use by Facebook. Even if you do not have a Facebook user account, it cannot be ruled out that Facebook will store your IP address. For more information, please refer to Facebook's privacy policy at <http://de-de.facebook.com/policy.php>. If you do not want Facebook to be able to associate your visit to this website with your Facebook user account, please log out of your Facebook user account.

## Twitter

Functions of the Twitter service are integrated on this website. These functions are offered by Twitter Inc, Twitter, Inc. 1355 Market St, Suite 900, San Francisco, CA 94103, USA. By using Twitter and the "Re-Tweet" function, the websites you visit are linked to your Twitter account and made known to other users. In the process, data is also transmitted to Twitter. It is pointed out that the operator of the website has no knowledge of the content of the transmitted data and its use by Twitter. If you do not want Twitter to be able to associate your visit to this website with your Twitter account, please log out of your Twitter account. Even if you do not have a Twitter account, it cannot be ruled out that Twitter will store your IP address. For more information, please refer to Twitter's privacy policy at <http://twitter.com/privacy> . You can change your privacy settings on Twitter in the account settings.

## Google+

This website uses Google +1 functions. The provider is Google Inc. 1600 Amphitheatre Parkway Mountain View, CA 94043, USA ("Google"). With the help of the Google +1 button, you can publish information worldwide. Via the Google +1 button, you and other users receive personalized content from Google. Google stores both the information that you have given +1 for a content and information about the page you were viewing when you clicked +1. Your +1s may be displayed as notices along with your profile name and photo in Google services, such as in search results or in your Google profile, or elsewhere on websites and ads on the Internet. Google records information about your +1 activities in order to improve Google services for you and others. To use the Google +1 button, you need a globally visible, public Google profile, which must contain at least the name chosen for the profile. This name is used in all Google services. In some cases, this name may also replace another name you used when sharing content through your Google Account. The identity of your Google profile may be displayed to users who know your email address or have other identifying information about you. In addition to the uses explained above, the information you provide will be used in accordance with Google's applicable privacy policy. Google may publish aggregate statistics about users' +1 activities or share them with users and partners, such as publishers, advertisers or affiliated websites.

## OBJECTION ADVERTISING MAILS

The use of contact data published within the framework of the imprint obligation for the purpose of sending unsolicited advertising and information materials is hereby prohibited. The operator of the website expressly reserves the right to take legal action in the event of the unsolicited sending of advertising information, such as spam e-mails.
